

"QUALITY SERVICE, COMPASSIONATE CARE"

Associate Veterinarian Position Announcement
November 12th, 2020

Abstract

Seeking an Associate Veterinarian for a busy small animal practice. Well established and growing practice offering general medicine and surgery. Competitive salary offered. Applicants with additional clinical experience or interest in ultrasonography, advanced dental techniques, acupuncture, etc, will be given priority. Send resume and letter of intent to 1290 S. Ammon Rd, Idaho Falls, ID 83406 or email at ammonvet@yahoo.com.

Ammon Veterinary Hospital is a well-established and growing small animal practice that offers general medicine and surgery. It is located on the eastern side of Idaho Falls, ID. Idaho Falls is located in beautiful Eastern Idaho, next to the Snake River and at the base of the Rocky Mountains. It is a short distance from several major outdoor attractions including Craters of the Moon National Monument, Grand Teton National Park, and Yellowstone National Park. And, if you are looking for a quick getaway for the weekend, Idaho Falls is a just a short drive to Boise, ID and Salt Lake City, UT. There are plenty of activities to keep you busy in Idaho Falls, year-round, with live performances, festivals, art and natural history museums, good restaurants and shopping. If you are looking for a city that offers a low cost-of-living and crime rate, with great cultural opportunities and the beautiful outdoors, Idaho Falls is the place for you.

Ammon Veterinary Hospital is seeking applicants for a full-time or part-time associate veterinarian to join our small animal practice.

Applicants must possess a Doctor of Veterinary Medicine degree, or the equivalent, from an accredited university and must be licensed to practice in the state of Idaho.

Special preference will be given to applicants with interest or experience ultrasonography, advanced dental techniques, acupuncture, holistic medicine, etc.

The successful applicant's duties will include examining patients and providing diagnoses and treatment; providing necessary vaccines and medications; counseling owners on general care, illnesses and medical treatment; performing general surgical procedures; and euthanasia when necessary.

We are seeking a veterinarian that possesses the medical knowledge and people skills required to build a strong client relationship. Excellent customer service is a must. The applicant must also have the ability to work in any situation while maintaining a professional attitude.

Competitive salary offered. Benefits include a 401K with employer match; health insurance stipend; dues; and CE allowance.

Applicants should mail a resume and letter of intent to: Ammon Veterinary Hospital, 1290 S. Ammon Rd, Idaho Falls, ID, 83406. Faxes will not be accepted.

For further information, please contact Dr. Colby Burr at (208) 552-9825.
